Nusa Island Retreat is set on a white sandy point of Nusa Island off the coast of Kavieng. The retreat is relaxed, low impact and eco-sensitive. Accommodation is in the form of traditional island style bungalows which are situated over the water, on the water's edge and on the beachside.

Conveniently located across the harbour from the Scuba Ventures dive operator and Kavieng town - Nusa Island is one of the many small islands situated between the Pacific Ocean and the Bismarck Sea. Its waters are rich in aquatic life and boast spectacular reef systems that are highly acclaimed throughout the

international diving community. There are several ship and plane wrecks nearby, exciting drift diving, colourful corals and pelagics aplenty. Discover more in Kavieng with **Scuba Ventures** who are focused on your best experience - above and below the waterline.
